Dear Mr Lo

Cathay Pacific Airways Approved Flight Time Limitation Scheme (CPA AFTLS)

Thank you for your Department's reply dated 24th April 2008 reference (29) in A/OPS/CPA/7 V.

We note that you have not explained how the two respective duties comply with the provisions relating to the avoidance of fatigue in aircrew and therefore we do not understand how those duties comply with the Air Navigation Order.

Yours sincerely

The CPU Preparatory Committee
